

Goldilocks Syllables Game

Setting: Small Group

Objective: Identify the correct number of syllables in words

Materials Needed:

- 3 paper lunch bags or cereal boxes
- Goldilocks Syllable Cards
- Cottage Picture Cards
- Optional: recording sheet

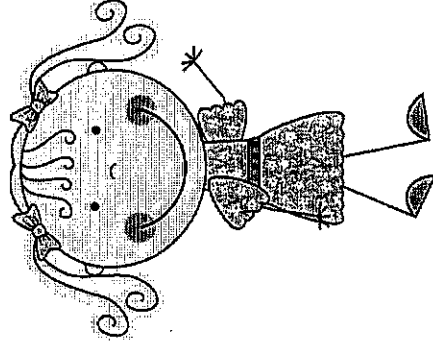

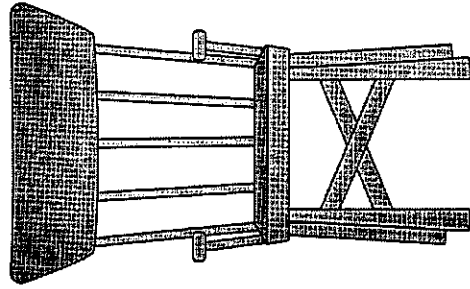

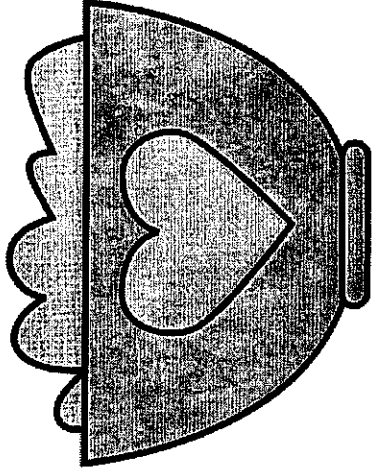

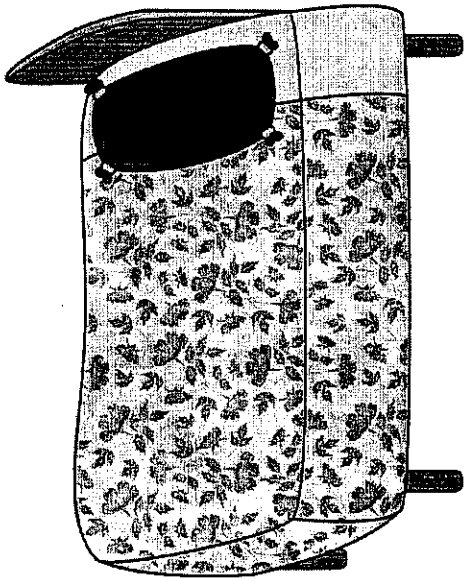

| Syllable Pictures: | |
|--------------------|------------|
| Bed | Porridge |
| Chair | Goldilocks |
| Papa Bear | Mama Bear |
| Baby Bear | Window |

Directions:

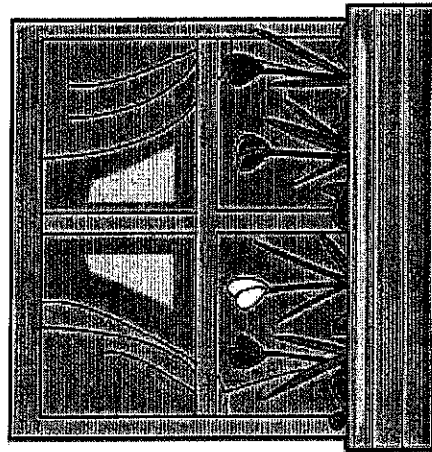

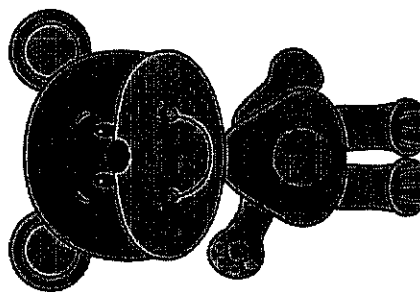

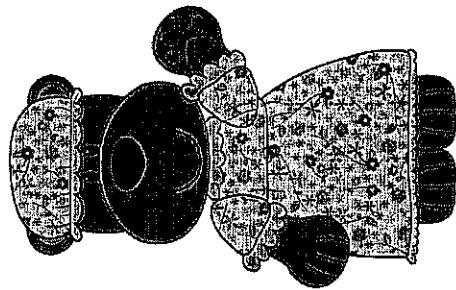

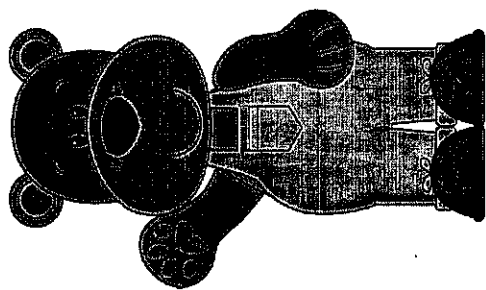

Print one set of Goldilocks syllable cards found on pages 5-6, laminate, and cut out. Print the cottage picture cards on pages 7-8. Attach each cottage picture to the front of a lunch bag, cereal box, or other container. Show the syllable cards to your group and ask them to identify the pictures on each card. Next place the syllable cards in a bag, basket, or container and have students take turns selecting a card. The students will identify the picture on the card, identify the number of syllables in the word, and place the card inside the correct box or bag to indicate the number of syllables. There is an optional recording sheet for this activity located on page 9 if you wish to use it. Students can color or mark the correct number of syllables using a Do-A-Dot marker.
